APA® Review Preparation

Tom Wierman

Description: Building on the prior presentation, “Why APA® Certification?,” learn suggested approaches to APA® exam preparation. We will answer such questions as: What material is covered in the exam? Where do I find the study material? What tips, tricks and tools are available to exam candidates? How much time should I plan to spend studying? When do I take the exam? Where do I take the exam?

Learning Objectives - By the end of this session, you will be able to:

1. Recall the elements of the exam blueprint.
2. Recall self-study tools, materials and resources available for exam preparation.
3. Practice sample exam questions.
4. Identify and select exam testing options available.
